Terms & Conditions

Warranties
Frames: A one-time, unconditional warranty for 1 year from the original invoice date
Anti-Reflective Coating: Warranty does not cover abuse or improper care determined by SWEEP Optical

Billing Information
The billing period includes all orders shipped through the end of the month.
Returned checks are assessed a service fee of \$50.00

Order Change
If order is changed before lab work has begun and lenses can be restocked, there is no charge. If lab work has already begun, there is a 50% discount off the lower priced lens.

Lab Remakes
A lab remake will be done at no charge if SWEEP Optical is in error
