# Terms & Conditions

Effective August 15, 2017

## WARRANTIES

### FRAMES

A one-time, unconditional warranty for 1 year from the invoice/order date.

### SCRATCH RESISTANT COATING (one-time re-coat only)

90 days from the invoice date. Warranty does not cover abuse or improper care determined by SWEEP Optical.

### ANTI-REFLECTIVE COATING (one-time re-coat only)

A \$15 reprocessing fee applies when lenses are returned for re-coating. Warranty does not cover abuse or improper care determined by SWEEP Optical.

## ORDER CHANGE

If order is changed before lab work has begun and lenses can be restocked, there is no charge. If lab work has already begun, there is a 50% discount off the lower priced lens.

## BILLING INFORMATION

The billing period includes all orders shipped through the end of the month.

Payments are applied to the oldest invoice first unless otherwise instructed.

Returned checks are assessed a service fee of \$50.00

The shipping and handling charge is \$3.50 per invoice. For shipping and handling charges on multiple frame orders see Additional Items.

Credit is not given for shipping and handling charges.

## DISCOUNTS - SALES INCENTIVES

A provider receives a 3% discount each month that orders are \$1,500 or higher, paid in full, and postmarked by the 15th of the following month.

## OTHER RX ITEMS

Segment heights are measured from the deepest point of the apex of the lens bevel to the top of the segment fitting cross.

Prism thinning is used on progressive lenses for cosmetic enhancement.

Prism may be split for cosmetic and weight consideration unless otherwise requested.

## LAB REMAKES

A lab remake will be done at no charge if SWEEP Optical is in error; subject to the following conditions:

- 1 The new order must be sent with the original frame and lenses; it can NOT be ordered by fax, phone, or on-line.
- 2 The prescription is the same as well as the lens, material and frame.
- 3 Remake is within 90 days of original invoice.
- 4 Original invoice number is included.
- 5 Specific problems are noted in the special instructions section of the Rx form.

## REMAKE POLICY

A 50% discount off regular price lenses is provided for a one-time remake (Doctor redo, optician error) Subject to the following conditions:

- 1 Remake is within 90 days of original invoice.
- 2 Original invoice number is included.
- 3 Original lenses are returned.
- 4 The specific reasons for the remake are noted in the special instructions section of the Rx form.
- 5 If the original lenses were A/R coated and the remake lenses are ordered with A/R coating, the A/R coating will be charged at full price.
- 6 If there is a difference in price, between the original and remake order, the 50% discount will be applied to the higher price lenses.

Disclaimer: All pricing dependent on manufacturer; Specialty lens pricing and availability are subject to change.
